# BREWPOINT

## BREWERY • BEDFORD

The Brewpoint Taproom is the birthplace and home to our incredible craft beers, bringing together the best of traditional British brewing with ultra-modern styles and bold flavours.

At the bar, you'll find up to twenty different Brewpoint beers on tap, all available in pints, halves and thirds - read more about our brewery and story below and then head to the bar to explore our range.

## AWARD-WINNING BREWERY TOURS

Take a wander round our epic brewery and spend some time getting lost in the science of the perfect brew with one of our brew crew experts.

Every week, we invite beer lovers to explore our state-of-the-art brewery and learn how we turn water, barley, hops and yeast into amazing craft beer, exploring our production facility and learning about the history of the Wells brewing dynasty before a guided tasting of six Brewpoint beers.

Scan the QR code below to find out more and book your spot!

## TAPROOM SERIES

Looking for something special? Check out our Taproom Series beers, created by our brew crew on our pilot kit and exclusively pouring at the Taproom.

Anyone in the extended Brewpoint team can suggest an idea for a Taproom Series brew, which means they're usually some of the most interesting beers on the bar.

Don't miss out on these small-batch beers, they don't hang around long and when they're gone, they're gone!

# BORN IN BEDFORD

Brewpoint is the third brewery of the Wells family, which has been building a brewing legacy in Bedford since 1876.

We're proud to be key part of the rich history of this famous town and to continue to actively contribute to its prosperity today; supporting local sports teams and community organisations and bringing beer-lovers from across the UK to our taproom.

Keep an eye out for Brewpoint beers pouring on taps around Bedford.

## WHO IS JOSEPHINE?

The mystery woman featured on our beers is Josephine, the unsung heroine of the Wells story; founder Charlie retired from the merchant navy to marry Josephine in 1872, swapping boats for beers and opening his first brewery four years later.

No Josephine? No Brewpoint; so say cheers with a pint in her honour.

**READ THE FULL STORY**

## TAKE FLIGHT

If you haven't tried our award-winning brews before, grab yourself a flight featuring three  $\frac{1}{3}$  pints of any brews from the bar - the perfect way to find your fave (and then go back for a full pint or two).
